CEDAR BLUFF SCHOOLS PTSA

This year, Cedar Bluff Schools PTSA theme for 2021-2022 is Cedar Bluff Schools PTSA **“Together we can make a difference”**. For the coming year the Cedar Bluff Schools PTSA will be focusing on building up our schools, our communities and of course our students. We also hope to see a resurgence of members and interest in PTSA. Our hope is that everyone will help celebrate the many years of community support, provided by our schools and PTSA, by joining us in making our campus a better environment for all students, staff, families and the Cedar Bluff Community.
